## Prvi Regionalni Simpozij o Energetskim Materijalima i njihovoj Primjeni First Regional Symposium on Energetic Materials and their Application

### Poziv/Welcome Note

Poštovane kolegice i kolege,

izuzetno je zadovoljstvo, čast i privilegija pozvati vas na Prvi regionalni simpozij o Energetskim Materijalima i njihovoj Primjeni sa međunarodnim učešćem, u organizaciji *Centra za napredne tehnologije u Sarajevu*, koji će se održati u Sarajevu 13. oktobra 2022. godine u hotelu **Radon Plaza**.

Imaćemo priliku se upoznati sa najnovijim saznanjima iz različitih oblasti energetskih materijala kroz predavanja istaknutih regionalnih i stranih stručnjaka. Nadamo se da ćete tokom Simpozija imati priliku proširiti postojeća znanja, diskutovati o aktuelnim temama i doprinijeti budućem razvoju energetskih materijala koji baštine dugu tradiciju na ovim prostorima.

Pozivamo Vas da zajedno dođemo do novih znanja i kompetencija, a sve u cilju da povećamo ulogu i značaj energetskih materijala! Dobrodošli u Sarajevo!

**MA ing. chem. Namir Halilović**  
Predsjednik Organizacionog Odbora  
Organizing Committee President

Dear colleagues,

It is a great pleasure, honor and privilege to invite you to the First Regional Symposium on Energetic Materials and their Application with International Participation, organized by the *Center for Advanced Technologies in Sarajevo*, which will be held in Sarajevo on October 13, 2022 at the **Radon Plaza Hotel**.

We will have the opportunity to get acquainted with the latest knowledge from various fields of energy materials through lectures by prominent regional and international experts. We hope that during the Symposium you will have the opportunity to expand existing knowledge, discuss current topics and contribute to the future development of energy materials that inherit a long tradition in this area.

We invite you to come together to new knowledge and competencies, all in order to increase the role and importance of energy materials! Welcome to Sarajevo!

**Prof. dr. Zahida Ademović**  
Predsjednica Naučnog Odbora  
Scientific Committee President
